

# ***Banking on Climate Chaos: Fossil Fuel Finance Report 2026***

## **Oil & Gas Expansion - Expansion Sector League Tables**

© 2026 Banking on Climate Chaos. All rights reserved.

The *Banking on Climate Chaos: Fossil Fuel Finance Report 2026* is based on comprehensive research of global banks' financial flows to the fossil fuel industry. The research is conducted by the Banking on Climate Chaos (BOCC) Coalition which includes Rainforest Action Network, Indigenous Environmental Network, BankTrack, Center for Energy, Ecology, and Development, Oil Change International, Reclaim Finance, Sierra Club, and Urgewald.

This document provides supplementary detail on the financing to companies actively expanding oil and gas projects in the upstream, midstream and power sectors by the world's largest 65 banks.

The main report is accessible here: <https://www.bankingonclimatechaos.org/>

### **Disclaimer**

The authors believe the information in this report comes from the most reliable sources and strive to ensure that the data and analysis presented in the report are thoroughly researched but we do not guarantee the accuracy, completeness, or reliability of the content. Data may change over time or be subject to interpretation, and we encourage users to independently verify any information before relying on it. The authors disclaim any liability arising from the use of, or reliance on, the information provided in the report.

The data provided in the report is researched carefully and all the named banks are given an opportunity to review the financing that is attributed to their bank prior to the publication of the report. If you believe that the information presented may contain some inaccuracies, please reach out to the BOCC team so that they can investigate and make any necessary corrections.

## Financing to Upstream Oil & Gas Expansion Companies (Exploration & Production)
